

MINUTES OF THE FRIENDS OF LAPHAM PEAK SNOWMAKING COMMITTEE

Tuesday, July 9, 2013

Members present: Sandy Sugden, Anne Riendl, Rick Bjodstrup, Kris maki, Paul Sandgren, Brett Johanen, Teresa McDonald

Items Discussed:

**Finances:** Kris reported that \$9100.51 has come in since the pump campaign began. Anne will fix the thermometer to register the correct amount on various websites. Tom Davenport has it on Facebook page, too.

**SCJohnson Grant:** The committee perused the SCJohnson Grant Application and made a few changes. All were asked to look at two paragraphs and edit and send to Kris. She was to submit application in 8 days . John McCarthy was asked to revise the drawings and the budget headings...he did....and Kris revised the paragraphs as requested.

**Fundraising idea Rick B** announced a fundraising idea. Donors would add money to a jar with ideas on how the donation money should be spent...giving them a say in the forward progress of the project. He also reiterated the prize for noting the first snowmaking day would be a wax job (for skiis) or stone grinding.

**Meeting encouragement Brett** said that encouraging more donors to come to the meetings was a good idea. We plan to invite Blizzard donors especially, due to their generous support.

**Ice Age Trail Gala** Oct 11<sup>th</sup> is a gala at the Hausmann Nature Center for the Ice age Trail Alliance. This was a suggestion by John Corbin for a fundraiser for snowmaking. We'll see how it goes.

**Waukesha County Community Foundation** Teresa has drafted a letter requesting a donation from the WCCF. We all received copies of the letter and were asked to supply suggestions. Kris sent her the FLP letterhead paper and Teresa has a few suggestions from others. We will go over the letter at the next meeting.

**Silent Auction** Sandy has some items for the Silent Auction at Colorama. Kris added the event to the registration blank and notices to previous participants.

Next meeting July 23<sup>rd</sup> at 6 at the Delafield library.

Respectfully submitted,

Kris Maki
