

MINUTES OF THE FRIENDS OF LAPHAM PEAK SNOWMAKING COMMITTEE

Tuesday August 6, 2013

Members present: Sandy Sugden, Anne Riendl; Rick Bjodstrup; Paul Sandgren; Kris Maki

Items discussed:

Finances Kris reported no new additions to the snowmaking fund since the last meeting. We stand at \$40, 542.

Diversified Grant Kris looked into the grant and will apply for it in October as the grant will be issued once per month from now until April 2014; she felt that a winter project may have better luck in the cooler months. Diversified Insurance is giving \$5000/mo for 6 months to qualified 501©3 organizations.

Wanted Posters Sandy showed the new edition of the Wanted Posters for silent auction items. She will have them available at Prowl the Peak on Wed. Aug 7th. We added the Facebook link and perhaps tearoff slips to contact Sandy.

February Ski Race Sandy spoke to Jay ? re: a possible race at Lapham Peak as a Birkie® qualifier in February. Some of the proceeds would go to Snowmaking, but the majority would be a fundraiser for the Mission Church in Wales, WI

Updated map Rick updated the Phase III project map to include amounts of money for each leg. Kris imported the picture into her latest newsletter.

Volunteer Opportunities Anne opened the tab for volunteer opportunities at Lapham Peak. We need to add, rearrange or delete items.

Next meeting is August 20th at the library.

Respectfully submitted,

Kris Maki
