

MINUTES OF THE FRIENDS OF LAPHAM PEAK SNOWMAKING COMMITTEE

Tuesday July 8, Delafield library **Next meeting July 22nd**

Members present: Rick Bjodstrup, Kris Maki, Tom Davenport, Anne Riendl

Items Discussed;

Minutes were approved from last meeting

Finances: Kris sent \$920 to Dan for snowmaking. We received a \$500 donation from Lynn Welscher for her retirement from teaching. What a nice surprise. We have \$74,715.99 in our account + \$7500 coming from the state grant. Our pump downpayment will be sent asap for \$18,464.40. the solstice brought in \$891. Expenses include \$300 for the band and a bit for supplies. Profit should be around \$500.

Birch Scroll AD: Rick added new wording and Kris and Tom worked on the logo to make it "crisp"; the new ad should look something like this: (Tom is making a new logo)

When winter comes, but not the snow
To Lapham Peak ski racers go

To race or train or just to ski
Lapham's where snow trails will be

For Lapham Loppet's 11K
And race 'neath lights on "Woden's Day".

For there, when cold, machines do make
Nature's oft forgotten flake

With funds from folks like you and me
There will be snow on which we ski.

Blizzard Campaign: We divvied up the blizzard donors to contact. Anne will put list in dropbox.

Respectfully submitted, Kris **Maki**
