Sam Edwards, Beattle Adelmeyer, Joe Stuber, Chicky the Welder

#### Trail Expansion 2016

Thanks to the wonderful, dedicated volunteers and donated equipment and expertise, the snowmaking trail expansion of Tail End and Magic Carpet Ride finally has been completed. An aerial view shows the new area in which pipe and hydrants have been

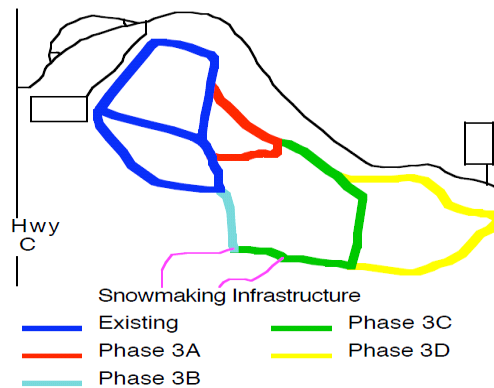

installed. Total cost is not yet calculated as reseeding and other landscaping needs to be completed. Thanks to the donations for Trail Expansion that totaled over \$50,000 this campaign year, the expansion will be fully funded; money is left over for the next phase of the snowmaking project. Coverage in local papers has shown volunteers hard at work at Lapham Peak. See <http://www.lakecountrynow.com/news/kettlemoraineindex/making-snow-for-ski-trails-at-lapham-peak-unit-of-kettle-moraine-state-forest-b99722142z1-378829681.html> for more pictures.; click on Photo Gallery to see additional pictures.

The next phases of trail expansion include 3B and 3C shown in light blue and green below.

3B= \$19,000

3C=\$60,800

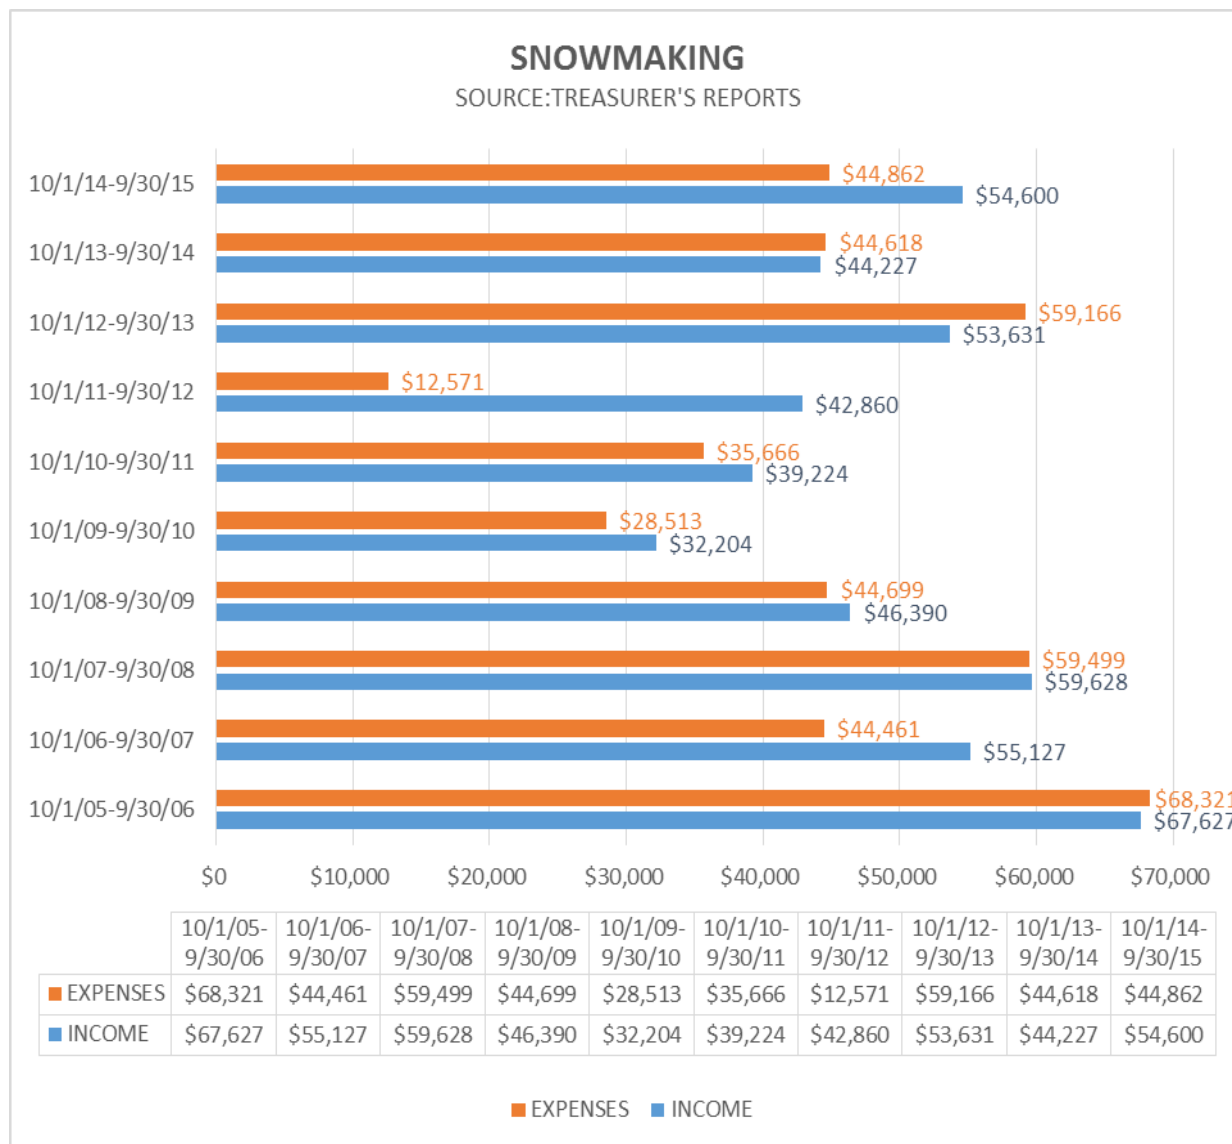

approx. cost

Please join us for an evening of celebration at the Summer Solstice. Tom Klein and The Front will entertain us and refreshments from the Delafield Brewhaus will help us celebrate our latest addition to snowmaking.

Dear Snowmakers: Please note the charts that show our income and expenses for the last ten FISCAL years. The latest figures are up to September 30, 2015. This year we will add the 2016 Trail Expansion project now in progress. Note the second chart shows our balance at the end of each FISCAL year. This year we will have money left over from our Trail Expansion Campaign to use for the next phase of our project. (See Newsletter for diagram and please note newspaper article that has photos of trail expansion and a great tribute to our efforts)

Thanks to Anne Riendl and Joanne Ziarek for preparing these charts taken from the Friends of Lapham Peak Treasurer's report and Annual Friends' Reports.
