Please participate in the Preference Poll for completion of the Snowmaking System at Lapham Peak. The DNR and the Friends of Lapham Peak are in the process of developing a Memorandum of Understanding (MOU) to define the responsibilities for the snowmaking system and developing a Master Plan for the potential future expansion plus operation and maintenance of the system. Please indicate your preference for the order of importance for completion of the components of the snowmaking system. Survey URL= <https://www.surveymonkey.com/r/GDGZ8CP>
