

# Minutes of April 16th 2019 meeting.

Minutes from March 26th meeting approved.

Next meeting set for May 14th, 28th, June 11th, 25th, July 9th and 23rd.

Present were John McCarthy, Charlie Ritter, Will Edwards, Rich Marusinec, Rick Bjodstrup, Anne Riendl

Discussed the invitation to CXC idea exchange regarding snowmaking on April 26<sup>th</sup> in Eau Claire WI. We thought it unlikely that anyone would attend due to our construction going on at that time.

Reviewed again the proposed tactical plan.

- A more dedicated approach to fund raising
- An increased breadth and depth to snowmaking
- A daily grooming report, a best in practice

Next meeting we hope to have a discussion around best in practice for grooming

John McCarthy is willing to plan and spearhead building of a building to house the snowcat. He will explore location and type of building options with DNR staff and Snowmakers.

Angie was given \$5,000 as an advance towards Frighthike 2019. Angie will give us a Frighthike report at the May 14th meeting.

Charlie Ritter led a discussion around recruiting people to our cause.

A discussion was held about possible bullet points to present to the state legislators as they consider our request for money to be used for Snowmaking operations and maintenance.

Charlie Ritter will summarize our points and get that to the state via Cindi Duchow and her staff.

Meeting adjourned at 7:45 PM.

Minutes Created by Will Edwards – Some minor additions made by Anne Riendl.
