Building to House the Snowcat: This meeting focused on what will be in the communication that will go to the 5 or so construction companies we will seek a budget quote from.

Rich Marusinec created the communication as we all discussed possible wording.

Brainstorming was done about what to name the building and use as the title on the plans.

“Ski Trail Equipment Storage Building” was agreed upon.

We also planned that Anne Riendl and John McCarthy would ask Anne Korman for input regarding the name at the Wednesday Sept 4, 2019 FLP Board meeting. (See Addendum)

It was agreed Anne Riendl would reach out to Anne Korman to set a date/time for a meeting of John McCarthy, Rich Marusinec, Anne Riendl and Anne Korman discussion of WI-DNR funding possibilities.

The agreed upon wording is on Page 2 of these minutes.

Fright Hike: Angie Lorbach joined us near the end of the meeting. Some Fright Hike tasks were done and some Fright Hike topics were discussed.

Respectfully Submitted: Anne Riendl
