Snow Cat Announcement

The Snow Making Committee of the Friends of Lapham Peak is happy to announce that we have placed an order for a Pisten Bully 100 with a hoped-for delivery date of November 2020! We have the capacity to make snow over 2.4 kilometers of trail and with the PB 100 we will now be able to do a better job of grooming for both skate and classic technique.

We want to thank our generous donors and sponsors. You are walking with us throughout this journey to make high quality, reliable skiing a reality at Lapham Peak. Without your support this would not be possible.

We know these are trying times with the COVID 19 pandemic, but we wanted to share this positive news. There will be many more details to come and much work to be done, but for now please be safe and thank you for all you have done to make this step possible.

To make a tax-deductible donation to help cover the purchase of the PB 100 please mail a check payable to Lapham Peak Friends/Snowmaking to:
